

BATTLEFIELD ESTATES HOMEOWNERS' ASSOCIATION
BOARD MEETING MINUTES
APRIL, 2020

The Board Meeting for April, 2020, was conducted through email communication among Board Members due to the COVID-19 health situation.

Brenda was able to secure an estimate for the repair of the back gate by Don Wiles. The Board voted seven (7) in favor of accepting the estimate with one abstention due to a non-functional email for Bob Turpin. Brenda will notify Don that his quote has been accepted and authorize him to schedule a time to repair the gate. Payment will be awarded when the work is complete with up-front funds provided by Jessica, if needed.

The Board will resume meeting with the resolution of the COVID-19 situation.
